Wednesday, June 9, 2021, Early Release Day/Last Day of School

Wednesday, June 30, 2021, Report Cards Issued

- a) **Read every night with your child.**
- b) **All students will take the third I-Ready assessment. Make sure that our children practice I-ready every day for 30 minutes.**
- c) Aftercare payments **MUST** be made by the due date
- d) **Tardiness:** It is a disruption to the student and the class, please make sure your child arrives to school on time. **Reading instruction takes place in the first hour of class; therefore, tardiness will hinder our students from developing age-appropriate reading skills.**
- e) Please make sure to pack your child a **bottle of water every day.**
- f) Have your child practice **spelling words every day!**

Please allow 24 hours for us to respond.

To help our students memorize their **addition** facts we encourage you to take advantage of the free activities on the xtramath.org. They also have an app for the iPad and tablets. It is essential that we work together for our children's academic progress and character building by taking time to help them improve the areas which challenge them.

It is imperative that you read with your child every night for at least 20 minutes. If you show enthusiasm they will feel reading is an exciting, pleasant experience.
