Ms. Anna's 4th Grade Class

## Opening Statement

“Montessori is an education for independence, preparing not just for school but for life.”

~ Maria Montessori

As Spring Break ends we look at the beginning of testing for some of our children. As we begin this quarter, we would like the parents to begin preparing the children for the up and coming FSAs. Mark the testing days on your calendar, make sure your child gets ample sleep the night before and eats a filling breakfast the day of the test.

We would like to remind you that with Spring Break past us Florida's warmer weather is upon us. Please ensure your child brings their water bottle to school to keep hydrated during school. Please also remind your child about not wearing a jacket or sweater outside in the heat.
